# WHAT TO EXPECT:

## Wedding Florals

Oh the joys of wedding planning!  
So many options and so many different directions you could go in. Oh but that nagging thing many people have to keep at the forefront of their mind throughout the entirety of the planning process.....a budget!

We know how fast things can start adding up and we want to be as transparent as possible when it comes to flower options for your special day. We realize that flowers are expensive. Here's what you can expect in your estimate and quote from molly b. flowers.

Of course, every quote is different depending on types of flowers, amount of items ordered and the size of each individual product. The items listed below are a rough estimate of what you could expect to pay.

### BRIDAL BOUQUET:

It's the statement piece. It's the focal point. You choose.. a classic tight bouquet, an asymmetrical modern bouquet, a loose greenery filled bouquet... The options are endless!!

Estimate: \$125-\$175

### BRIDESMAID BOUQUET:

Usually a smaller version of the bridal bouquet with less accent flowers.

Estimate: \$65-\$85

### BOUTONNIERE:

*"If I request a quote, when can I expect to receive it?"*

Our average turn-around time for a quote is 2 weeks. We try to allow enough time to research any florals that we have not used before and to make sure that they will be in-season.

## OTHER:

All individual items that are included in your quote will include ribbon, and containing vases upon request. Any extra supplies used will be added to the quote along with travel /delivery fees and tax.
